

Many Paths, *One Journey*

Dear Readers,

Each issue of NCR is filled with reporting, commentary and reflection that represent hours of work on the part of our editorial staff. In this issue we shift the spotlight to you, our readers whose support through the years has sustained the NCR mission and made our work possible. It is no exaggeration to say we couldn't do any of this without you.

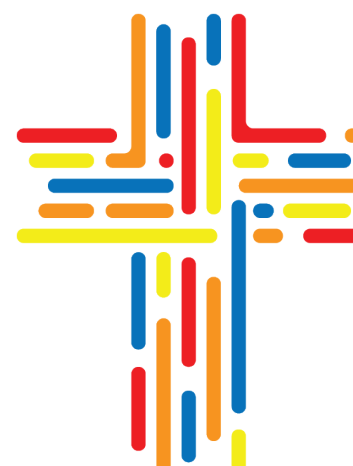

The following pages contain our annual listing of the names of donors who made a contribution to NCR between July 1, 2024, and June 30, 2025. The names in bold are those donors who have faithfully supported NCR for at least 10 consecutive years (many of them longer than that). Names with an (M) are those of you who support NCR with a pre-arranged gift each month through our NCR Forward membership program.

This issue also has a separate page honoring our NCR Legacy Society members, those donors who have included NCR in their estate plan, or left a legacy gift to NCR. And finally, the last page of this section lists tribute gifts made in memory of or in honor of someone during our last fiscal year.

As a community, we sometimes follow different paths, but we have all found our way to these pages of NCR. It's clear we share the same journey in faith and hope, a journey in search of honesty, dignity and truth. We are honored to have you with us – and extremely grateful that you are by our side.

Gratefully,

Joe Ferullo
